

SAFETY DATA SHEET

Tuatara Floor Protection: Temporary Floor Protection

IMPORTANT: Refer to this Material Information Sheet before handling, installing or disposing of these products. This Material Information Sheet is provided to our cliental to help them deal with health, safety, and/or environmental matters. We have taken all necessary measures within our means to certify that the test methods and sources of this data are accurate and reliable, however, we give no warranty regarding its correctness. Conditions or methods of handling and using this product after it leaves our manufacturing location are beyond our control, therefore, we do not assume any responsibility or liability for damages resulting from improper handling, storage, use or disposal of these products.

SECTION 1 PRODUCT AND MANUFACTURER'S INFORMATION

Manufacturer/Supplier's Name: CANADA COVERS INC
Address: 32477 Oriole Cr Abbotsford BC Canada
Toll Free: 1 778 552 4277
Phone Number: 1 778 552 4277
Website: www.canadacovers.ca
Product Name: Tuatara Floor Protection
Chemical Family: N/A
New Zealand Supplier: Marshall Innovations
Address: 41 Hotuhotu Street
Tauriko 3110
Tauranga
Telephone: (07) 5430948
Fax: (07) 5411029
Website: www.mwnz.com

SDS Date of Preparation: February 2019

Emergency Overview

This product has no known adverse effect on human health. Additives in this product do not present a respiration hazard / Contact Hazard unless the product is ground to a powder of respirable size and the dust is inhaled. All dusts are potentially injurious to the respiratory tract if respirable particles are generated and inhaled. No hazardous ingredients by OSHA and WHMIS criteria

SECTION 2 HAZARDOUS INGREDIENTS

Other information: OSHA Hazard Communication Standard (29 CFR 1910.1200) requirements for Material Safety Data Sheets do not apply to this product. This product is excluded as an article. Information on potential hazards associated with product fabrication and/or installation are discussed in this datasheet.

Chemical Ingredient	Conc. (%)	CAS No.
Polypropylene	70-85%	9003-07-0
Polyethylene	5-20%	9002-88-4
Polyethylene based Color Master batch	1%	9002-88-4

SECTION 3 PHYSICAL DATA

Boiling Point: N/A

Specific Gravity: N/A

Vapor Pressure: N/A

Evaporation Rate: N/A

Solubility in Water: Insoluble

Appearance: Sheet Material

Odor: Odorless

Melting Point: 160-177 C

SECTION 4 FIRE AND EXPLOSION DATA

Flash Point: >320 N/A

Flammable Limits: N/A

Extinguishing Media: Dry chemical, carbon dioxide; water fog

Special Procedures: Respirators required for fire fighting

FIRE-FIGHTING MEASURES

Firefighting Instructions: Water, Dry Chemical, Co2, Foam

Molten polypropylene tends to flow or drip, respiratory and eye protection required for fire fighting Personnel. Use extinguishing measures that are appropriate to local circumstances and the surrounding

Environment. Recommended extinguishing media would be dry chemical, foam and water fog.

SECTION 5 TOXOLOGICAL PROPERTIES

Primary Route of Exposure: Skin Contact

Exposure Effects: None Known

SECTION 6 PREVENTIVE MEASURES

Spill Procedure: N/A

Disposal Procedure: Follow federal, provincial/state and municipal regulations for waste disposal.

Gloves: Wear protective gloves when handling these products. Best to minimize skin contact

Eye Protection: Use safety glasses when needed

OTHER INFORMATION

For further information, please contact your Canada covers representative.

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.
